

The best way to study the Japanese language is to be immersed day and night, in and out of class.

And the best location for your studies is in the heart of Tokyo.

Study in Tokyo, one of the world's most exciting cities

Tokyo is the political and economic center of Japan, a convergence of business, government, research, and universities. Tokyo's cultural opportunities include performing arts, fashion, design, and the largest collection of Asian art in Japan. You'll absorb Japan's culture with visits to museums, palaces, theaters, and corporations, as well as many other enriching events that will broaden your experience.

KCP Japanese Language Program

KCP International Japanese Language School provides an opportunity for serious students to achieve remarkable proficiency in Japanese. With two or three instructors per language class, KCP serves over 500 international students each year.

KCP offers two areas of study

- A total immersion Intensive Japanese Language Course (taught in Japanese) and offered at eight levels is the main focus. Emphasis is on a balanced language education program stressing the four most important communication skills: listening, speaking, reading, and writing.
- Japanese Culture and Civilization Course offers opportunities to experience Japan first-hand while visiting the many notable sights in Tokyo.

Academic Credit

The University of Idaho has approved courses taught at KCP International Japanese Language School for academic credit. You can earn one or more years of language credit for each term. KCP credits are recorded on the University of Idaho transcript. It is up to each student to determine transferability of credit.

Eligibility

The KCP program is open to all students of the University of Idaho. A GPA of at least 2.5 is required. We strongly recommend you have one semester of Japanese or knowledge of Hiragana and Katakana before you apply.

Program Costs

The program cost per semester is \$7,250 with dormitory housing, \$8,250 with homestay, or \$3,450 for courses only.

Personal expenses and travel to and from Japan are not included. Your airfare will depend on when you travel. For your meals and personal expenses, plan on \$1,500 to \$2,500 per term.

Cost per semester includes the following:

- Tuition, fees, and textbooks
- Pick-up at Narita Airport on arrival
- On-site orientation
- Dormitory or homestay (includes utilities, and lodging to school travel pass)
- Activities in the Culture and Civilization course
- Comprehensive medical travel insurance

Complete application must include the following:

- Student Application Form
- Personal Essay
- Official transcript
- A check or money order for \$350 payable to KCP International. This amount is deducted from the total program cost

Passport and Visa

All students must have a valid passport. Because of a visa exemption arrangement between the United States and Japan, students may stay fewer than 90 days (one semester) without being issued a visa. If you plan on studying longer you must apply for a student visa. Start early as this process may take over six months. Students are responsible for a visa-processing fee of \$250. Students accepted to this program will receive a detailed visa packet.

Refund Policy

If a student is not accepted to the program, all payments less a non-refundable \$50 processing fee are returned.

If KCP receives written confirmation of withdrawal more than 60 days before the start of the program, all fees paid, minus the non-refundable application deposit are returned.

If written confirmation of withdrawal is received between 45 and 60 days before the program begins, 50% of the program fee is refunded. If payment has not been made, 50% of the program fee is due.

If withdrawal occurs 45 days or less before the program starting date, no refunds are made. If payment has not been made, 100% of the program fee is due.

The late application fee, if paid, is refundable only if a student is not accepted into the program.

AGREEMENT AND RELEASE

1. I release KCP International Japanese Language School and KCP International USA, Inc. (collectively "KCP"), and University of Idaho ("UI") and their officers and agents from any and all claims and causes of action for damage to or loss of property, personal illness or injury, or death, arising out of any travel or activity conducted by or under the control of KCP or UI. I further agree to reimburse KCP, UI, or any Japanese host family with whom I/my son or daughter stays during the program for any damage to property or injury to persons connected with KCP, UI, or a Japanese host family caused by me/my son or daughter.
2. I accept full responsibility and will indemnify and hold KCP, UI and any Japanese host family harmless from any damage to or loss of property or personal injury to any third party arising out of any alleged action on the part of myself/my son or daughter.
3. In the event of illness or injury to me/my son or daughter, I hereby authorize any officer of KCP to secure any necessary treatment, including the administration of an anesthetic and surgery.
4. I give permission and accept full responsibility for any expenses incurred while I/my son or daughter travels independently on weekends or academic holidays during my/his/her period of study at the KCP program site. I agree that neither UI, KCP, nor any program staff or Japanese host family is responsible for the participant while on an independent side trip.
5. KCP is hereby authorized to distribute my/my son or daughter's name, address, and telephone number to other participants in the program prior to departure.

7. I have read KCP's refund policy in the program catalog and agree to abide by it. Further, I agree that unless I have made specific arrangements with either KCP or UI to the contrary, all fees will be paid in full prior to departure for the program.

A COMPLETED APPLICATION INCLUDES

- Student Application Form
- Personal Essay
- A check or or money order for \$350 payable to the KCP International. *This amount is deducted from the total program cost.*
- Official transcript in a sealed envelope sent directly from your home institution to KCP or included with your completed application.
- Send your completed application to KCP International-UI.

8. I certify that all statements made in this application for a KCP program are correct and true.
9. I understand that, as part of my application, I may need to obtain a letter of good health from a licensed physician stating that I am in satisfactory health, capable of traveling to Japan, and fit to attend the language study program.
10. I understand that KCP-USA will not be making the final acceptance decision, and that the acceptance decision will be made by KCP-Japan.
11. Studying at KCP is not like studying at a university or college in your home country. Japanese traditions run deep at KCP. Policies, procedures, curriculum and support services will probably be unlike any you have experienced at home. You must be open-minded and respectful of KCP traditions. There is no room for disrespect of faculty, staff or any students from other countries. You represent your home country and as such, your conduct during your stay in Japan must be exemplary. Your primary purpose for attending KCP should be dedicating yourself to increasing your proficiency in the Japanese language. Only then can you truly experience the breadth of the Japanese culture. If you are able to be respectful of the Japanese culture and traditions, you are encouraged to proceed with your application.

12. I understand that I am required to maintain health insurance coverage during my stay in Japan. I further agree that I will be responsible for my own medical care while abroad. By signing below I indicate that I will have insurance during the entire duration of my stay in Japan.

13. I certify that I am in good physical and mental health and that I do not suffer from any special mental or physical condition that would prevent me from successfully taking part in the KCP program.

14. I understand that any information collected by KCP in the registration and application material from Student may be shared by Sponsor, or Student's home university. I further understand that by signing below, I authorize KCP to release information related to me to my parent(s), guardian(s) and/or school officials.
